## **ALEX JACKSON**

*Set Your Event on FIRE*

He spends his days putting out fires, but when he hits the stage, his show will start one! Alex's brand of humor is tailor made for your audience.

Jackson has a subtle, yet no-holds-barred style. In today's hurry, hurry, push-button, just-add-water-and-stir society, his 25 year philosophy of comedy as a stress reliever has brought hot laughter to all audiences from fire, police and EMT's.
